

## How to Steel Yourself with Purpose

### *Leadership Questions*

- Where do I draw inspiration?
- What am I doing to ensure that I make time to think before I act?
- How well am I reflecting on my purpose and how it affects my team?

### *Leadership Directives*

- Embrace doubt as a means of discovering more about your motives as well as your capabilities.
- Consider how purpose has shaped your own life.
- Develop a habit of reflecting on what you have accomplished: think of what you have done well and what you could do better.
- Find ways to draw inspiration from those who set examples that you would like to emulate.
